Hi Angele

This is very overdue!! I want to thank you for the awesome food for our Christmas Party this past weekend. Everyone just loved it! My vegan guests were really impressed, in fact some other guests were a little jealous because they were raving so much about their eggplant dish! Our gluten free guests also enjoyed their meal and shared some of the pasta for others to try. The food helped to make our party a huge success. I shared your company name with friends who inquired about the chef! Look forward to calling you again when the need arises!

*Have a Merry Christmas and Happy New Year too.
Sincerely,*

Hello there!

I do hope that you are doing well and life is good for you! I'm certain that you are crazy busy with events, so I will be sure to keep this short!

I wanted to take a quick minute to reach out and say a huge heartfelt thank you for the work that you and your crew did last weekend at our Gala. We truly appreciated how much care, time and effort you all put into our event. My staff went on and on about how lovely you all treated them, and they were stoked that they could actually help you all out! I am so very sorry that I wasn't able to say goodbye and thank you officially! I do know that our guests went on and on about your food, and a lot of people inquired about our caterer! So hopefully you will get some new business out of the deal!

Thank you again for everything. You made our evening even more special!

I wish you all the best in the coming weeks, as I know you are insanely busy! I definitely will be in touch again should I ever need your services!

Be well!

Hi Angel,

I just wanted to send a quick thank you for the excellent food you made for my daughter's bridal shower this past Sunday. I was quite busy with things and I didn't get the chance to speak with you properly on Sunday for which I am sorry.

The food was delicious and hot. There was plenty of it. And it got rave reviews!!! Everyone remarked that the cabbage rolls were full of meat instead of the typical bit of meat mostly rice. I made many many recommendations for your services and I hope that you do indeed get some business. I can assure you that if I am ever in need of catering again - you will get the call.

Thanks again and all the best to you,

Hi Angele!!

I am SO terribly sorry for the delay in sending this email to you. I will be sending you a proper thank you card once we get our pictures back from our photographer :) If there are pictures from them of any of the food, I will send those to you in an email :)

I just wanted to say that you and your staff did a FANTASTIC job at my wedding, and that my guests have all said that they were impressed by the food and especially by how much food there was!! Two main dishes that people can't get out of their heads are: the potato/burger bites and the perogies!

I can't thank you enough for everything that you had done for us for the wedding - we greatly appreciate having a good team of staff to keep things running smoothly for us and our guests!

Hi Angele: thank you again for your wonderful food and service yesterday. I have already had many positive comments and have highly recommended you and your staff. The food was lovely, my picky granddaughter had several mini burgers -a major plus!!!! Your staff were professional, helpful and did a great job, even with the not so fun tasks of helping with the clean up! Please pass along my thanks to them.

Dear Angele,

Just a quick note to say thank you so much for your amazing catering services last weekend! Hosting an open house party for over 70 people seemed a daunting task until we booked you to handle the catering. Even though we had no prior knowledge of you or your services, once we spoke to your references and met with you in person, we knew you were the right choice for us. On the day of the party you completely met and even exceeded our expectations. The food was beautifully presented, hot when it was supposed to be hot, cold when it was supposed to be cold and all our guests commented on how great everything tasted. It was hearty and generous food with just the right amount of 'fancy'... it made it party-worthy but not to the point where people were asking 'what am I eating?'

As a caterer, you were wonderful and many of our guests commented on this and asked us for your contact information. We liked the fact that you were professional and took charge when needed, but were very friendly, flexible and laid back at the same time. We would highly recommend your services and will be saving up for our next party so that we can have you cater it again!! How nice for us to be able to actually greet and visit with all of our guests throughout the day, instead of serving, cleaning and replenishing the food!

Thanks again for helping make our party a memorable event for all, and best wishes for continued success!

My experience with Angel's Catering last June was overwhelmingly positive. My family and I were in a last minute bind without a caterer for my daughter's wedding and Angel was excellent with staying cool and calm and helping us plan a fantastic meal during an already stressful time. We had a backyard ceremony and Angel and her staff provided personable, professional service. The food was beyond delicious and we were incredibly pleased with our decision. I would recommend Angel's Catering to anyone.
